Music Masterpieces

Selected artists create both exterior and interior art pieces. "Fun, whimsical, stately" are just a few of the words used to describe the different art. The artwork will be displayed outside throughout Rockbrook Village and will also be located inside specific businesses and shops.

The art display starts August 7th and ends with a public art auction on September 18th.

Music & Masterpieces combines the spirit of giving with a celebration of the creative spirit. You are invited to stroll Rockbrook Village, enjoy the art and attend all our upcoming events.

A percentage of the auction proceeds will be donated to the Omaha Symphony and will be used to benefit the Omaha Symphony's education programs.

Celebrating its 51st year, the Omaha Symphony Guild is an organization dedicated to promoting and supporting all of the Omaha Symphony's education programs. These programs reach pre-K to college-age students.

The programs include: Mission Imagination, Instrument Petting Zoos, Celebrate Creativity, Margre Durham's Concerts for Youth, Music Alive!, Carnegie Hall's Communities LinkUP!, and New Music Symposium for young composers.

All proceeds from Music & Masterpieces will go to benefit these programs.
